

## Purchase a Celebrate Kids! License Plate

The New Year means new license plates. Having another annual bill to pay can be disheartening. But, you can help CASA while incurring this unavoidable expense. A special Celebrate Kids! license plate is available from the Ohio Bureau of Motor Vehicles for \$25.00 (added to normal vehicle registration). However, \$15 of the fee is tax deductible! The extra money goes to the Ohio CASA/GAL Association and, in turn, all Ohio CASA programs' efforts to help abused and neglected children throughout the state.

Please consider this unique way of supporting and promoting CASA!
