

CASA of franklin county Court Appointed Special Advocates

COLUMBUS, OHIO

Hello CASA Friend,

The final frost of the spring appears to be behind us! I know many of you use this point in the year to begin your gardening and landscaping in earnest. I want to remind everyone that CASA of Franklin County is participating in the Kurtz Cares program.

According to a Kurtz Bros. representative, the “response has truly been unbelievable.”

Recently, the folks at Kurtz Bros. have sweetened the pot. The organization that has the highest total will get a bonus contribution amount of \$250! And, any organization with just one purchase on their account will be placed in a drawing to receive a \$100 contribution.

Remember at check-out simply mention **CASA of Franklin County** and/or our account number, “4.” Specific CASA affiliation is not necessary. Please tell any of your friends about this opportunity. Your friends in NE Ohio can help out—Kurtz Bros. have locations there, too.

There’s still time to participate. The first quarter of the program ends on May 31st. If you have any inclination at all to playing in the dirt, I ask you to consider buying your gardening/landscaping materials at Kurtz Bros. this year. There are central Ohio locations in Alexandria, Dublin, Groveport, and Westerville (full nursery there). Same day or next day delivery is available on most orders.

For more info visit www.kurtz-bros.com or www.kurtzcares.com.

As always, thank you for your involvement with CASA of Franklin County.
